In addition to the three projects, students will be required to do the following:

- Post comments on reports by other students on the class website, on a weekly basis
- Turn in one, one-page online report per semester which includes links to further information
- Do and turn in any in-class exercises assigned
- Do and turn in assigned homework
- Schedule time to go into the audio lab or classroom outside of class time to work on projects

### Project Presentations and Teams

Students will work in teams on some projects and present their work to the class as a team.

**Extra Credit Assignments:** Check with instructor for availability

## **Evaluation of Work**

Evaluation of your work is subjective, based on the instructor's experience in the field. Your

work will be evaluated on the demonstration of following criteria:

- Fulfillment of goals outlined in the project description
- Following the specifications of the assignment
- Accuracy of the imaging techniques.
- Aesthetics
- Imagination and creativity.
- Your knowledge and facility of the current software
- The overall quality of work.
- Meeting deadlines.

## **Late Work**

Late work will have points deducted based on how long past the deadline it is turned in. The instructor, at his discretion, may deduct as much as one letter grade for every day the work is late.

## **Saving Work**

- Save all work no matter how insignificant it may
- Save your work frequently while you are working on it.
- Save your work to multiple disk

## **Course Schedule**

The instructor reserves the right to change the schedule in order to adjust it to the pace of the class.

Please note that assigned reading and exercises will be listed on the class website. Assignments are due at the beginning of the last class during the week.

The course schedule will match that of the specific course requested.

## **Electronic Devices Policy**

Mobile devices have become an increasing source of distraction in the classroom. Turn off cell phones when you enter class and remove earphones from your ears during the lecture. Do not surf the web during the lecture or go to social networking sites.

**Syllabus Receipt:** Please fill out and return the syllabus receipt you received with this syllabus, acknowledging that you have read and understood it.

## **Attendance Requirements/Active Participation**

A failure to participate as required may result in loss of financial aid and failure in the class. For every credit hour of your classes you should plan to spend approximately two to three hours outside of class studying each week. Attendance requirements (<https://www.pima.edu/programs-courses/credit-programs-degrees/attendance.html>)

## **Course-specific attendance and participation:**

### **Attendance**

Class attendance is mandatory. The only exceptions are for illness or emergency. Please inform the instructor if you are unable to attend either by phone or e-mail. Five points may be deducted from your final grade for each unexcused absence. If you miss more than three classes for any reason, you may be dropped from the class.

### **Missed Classes**

If you miss a class, it is your responsibility to make up work missed during your absence. Write the contact information of at least two other students in the class so that if you cannot attend a class, you can obtain the notes assignments or other materials that you missed. Check the website for assignments and postings.

### **Late Arrival**

Don't be late to class. The lecture begins promptly at the beginning of class. If you are late for class, you will miss valuable information. Three unexcused late arrivals is equal to one unexcused absence.

### **Key Dates**

For class add, drop, and withdrawal dates, go to the "My Schedule" section of MyPima, found on the Students > Academics MyPima page. Additional semester Key Dates and Deadlines (<https://www.pima.edu/calendars/key-dates-and-deadlines/index.html>) are on the Calendar link at the top of PCC webpages.
